- Extra Thin TV Housing
- Low Voltage (12-24V)
- Extra Brightness LED Panels
- Smart Touch
- OLED Mirror TV
- Available Frames

MIRROR GLASS OPTIONS

Silver Mirror

The TV vanishes entirely when turned off, an ideal choice for residential spaces that value a clean, modern aesthetic.

Advertisement Mirror

The TV disappears completely when turned off, a flawless solution for commercial environments seeking a clean, modern aesthetic.

Tinted Mirror

With 80% vanishing capability, the TV blends seamlessly into its surroundings, a subtle and stylish choice for living rooms, bedrooms, and home theaters.

Black Mirror

The non-vanishing black mirror glass delivers bold, dramatic visuals that make a lasting impression.

MirrorVue™
The Mirror TV

MirrorVue Custom Sizes

MirrorVue lets you create a smart mirror TV perfectly sized to fit your space. Enjoy all the features of MirrorVue with a custom dimension tailored to your style and needs.

MirrorVue Custom Shape

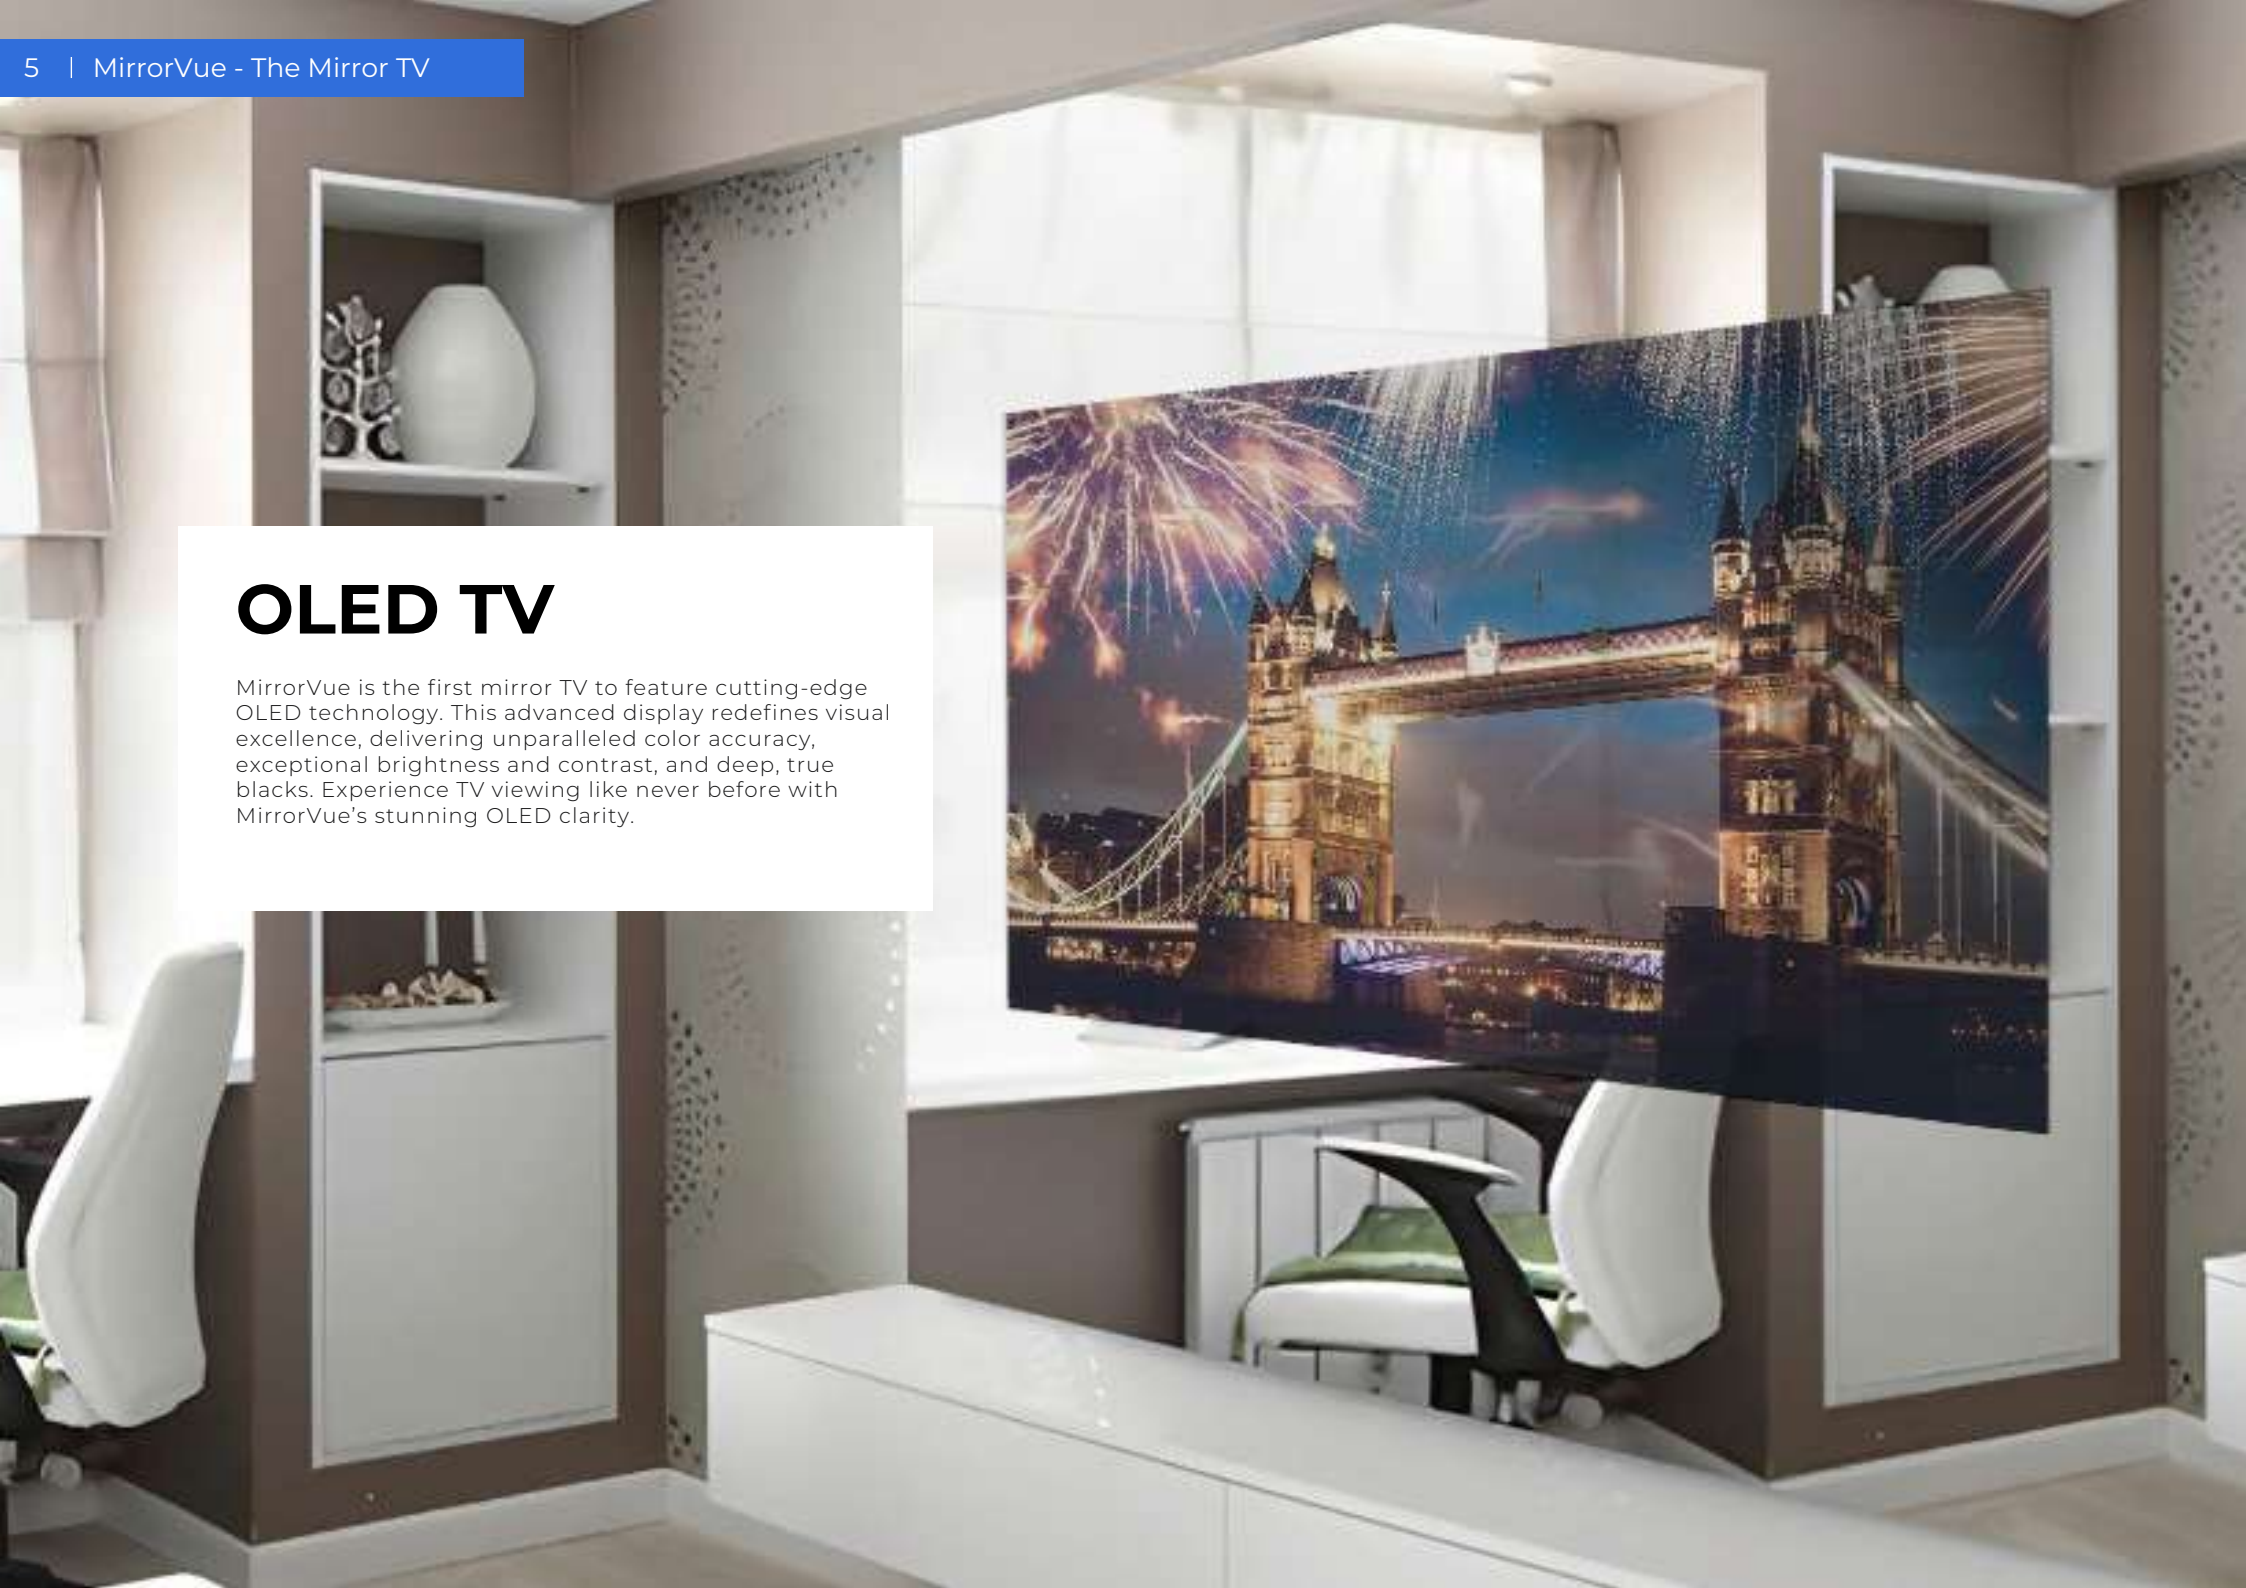
MirrorVue allows you to design a smart mirror TV in the exact shape you want. Whether modern, classic, or unique, customize your MirrorVue to perfectly match your space and style without compromising on advanced features and quality.

MirrorVue TV Sizes

Find the perfect fit for your space with our wide selection of MirrorVue TV sizes.

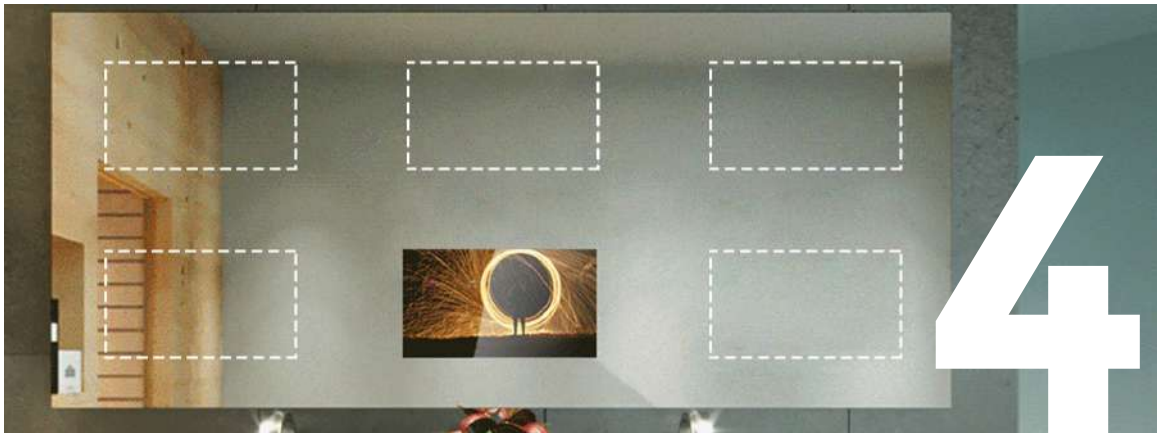
Available Sizes:

15.6" (720p)	55" (4K OLED)
22" (Full HD)	60" (4K)
28" (4K)	65" (4K OLED)
32" (4K)	75" (4K)
40" (4K)	85" (4K)
50" (4K)	100" (4K)



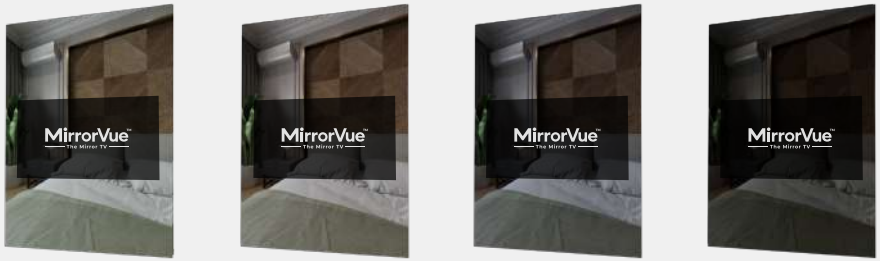
OLED TV

MirrorVue is the first mirror TV to feature cutting-edge OLED technology. This advanced display redefines visual excellence, delivering unparalleled color accuracy, exceptional brightness and contrast, and deep, true blacks. Experience TV viewing like never before with MirrorVue's stunning OLED clarity.



Locate TV Screen Anywhere

Tell us where you want your TV. MirrorVue's customization lets you place the screen anywhere you desire, creating a truly personalized and flexible setup, and even integrate multiple TVs within a single mirror for a seamless, versatile entertainment experience.



Silver Mirror | Advertisement Mirror | Tinted Mirror | Black Mirror

Choose Mirror Glass Type

MirrorVue offers exceptional versatility, perfectly suited for commercial, residential, or hospitality environments. Our premium-quality glass options include Silver, Advertisement, Tinted, and Black Mirrors ensuring the ideal solution for any purpose or requirement.

Standard Wall Mount | Magnet Wall Mount | Recessed Wall Mount

MirrorVue Mounting Options

MirrorVue installation is quick and efficient. Whether you need space-saving built-in designs or easy-to-install options, MirrorVue offers Standard Mount, Magnet Mount, and Recessed Wall Mount solutions. Don't worry about limited mounting options, we have you covered.

Demister

Available in a variety of shapes and sizes, MirrorVue feature a patented fog-free coating that guarantees a crystal-clear viewing experience, even in high-humidity environments such as bathrooms.

MirrorVue Frames

MirrorVue offers frames in a variety of styles, including Vauci, Renaissance, Mosaic, Mediterranean, Gatsby, Wood, Whites, Stainless Steel, Blacks, Golden, and Silver frames. These frames stand apart from traditional metal options, providing distinctive designs that enhance any space.

Operating System

MirrorVue comes with a top box compartment, designed to conveniently store Android TV, Apple TV, and other set-top devices. This innovative system allows for easy upgrades, ensuring your entertainment setup stays current for years to come.

**Note: Apple TV and other set-top devices are not included and are at the buyer' expense.*

10

Smart Touch

Controlling your MirrorVue is now simpler than ever. Each MirrorVue comes with the option to integrate a premium touchscreen system, allowing customers to browse store websites and place orders seamlessly. Stay updated with the latest news and social media, and deliver flawless presentations at work. With endless possibilities, the experience is truly transformative.

11

MirrorVue Light Options

Enhance your MirrorVue experience by personalizing it with integrated lighting, Hollywood-style light, and backlight for a touch of luxury.

12

Cut Outs

We offer custom cutouts in mirrors to accommodate faucets and light fixtures, precisely tailored to your needs. Using advanced CNC technology, we ensure every cut is made with exceptional accuracy and precision.

Why MirrorVue

MirrorVue		Other Mirror TVs
12-24 volts. Easy to install and safe to use anywhere.	**12-24 Volts**	Usually 110 or 220 volts.
MirrorVue is the thinnest on the market. Being only 1.3" or 33mm thin, it reduces the required space and is visually more appealing.	**Extra Thin Mirror TV**	Other Mirror TVs are often 1.5" or 40mm or even 2" or 50mm thick.
MirrorVue uses unique silver mirror TV glass which makes the TV very clear when turned on and allows the TV to completely vanish when turned off. With over 15 years of perfecting our mirror glass, we are proud to say that we offer the best on the market.	**Real Mirror TV Glass**	Usually low quality glass that decreases the visibility of the TV and does not completely vanish the TV when turned off.

Why MirrorVue

MirrorVue		Other Mirror TVs
Our mirror TVs are made with very high quality, corrosion and rust-free mirror glass that shows a beautiful reflection. This makes a MirrorVue a worry-free investment you will enjoy for many years to come.	**Rust Proof TV Mirror Glass**	Easy to rust over time.
Choose from a wide variety of television sizes.	**TV sizes 15.6” up to 100”**	Other mirror TVs have limited options available.
Enhance your mirror television experience with cutting-edge OLED technology, available in 55” and 65” sizes.	**The Only OLED TV Mirror**	 Not available.

Why MirrorVue

MirrorVue		Other Mirror TVs
	Made-To-Measure	MirrorVue is completely made-to-measure with extreme precision.		Other mirror TVs have limited options available.
	Make in Any Shape	
MirrorVue can be made in every shape.		Other mirror TVs have limited options available.
	Touchscreen Available	
Available for all TV sizes.		Not available or limited to very few sizes.

Why MirrorVue

MirrorVue		Other Mirror TVs
Speakers are located on the edges of the mirror for increased audio performance	**High Quality Speakers**	Limited or not located on the edges of the mirror.
MirrorVue has two long wall-mount rails to ensure a well-mounted mirror. Other lighted mirrors often only have a hang construction on the top, which makes the mirror move easily.	**Good Wall-Mount**	Not sturdy.
MirrorVue comes with a security film on the back that prevents dangerous, sharp mirror parts from falling on the floor in case the Mirror TV breaks. This makes MirrorVue compliant to be installed in public areas and for professional.	**Security Film**	Easy to break with no security film.

ANDROID TV BOX

DETAILS

- MirrorVue optionally includes a built-in Android TV box, offering crystal-clear picture quality and access to popular streaming apps, all seamlessly hidden behind the mirror.

Note: This feature is available only with standard MirrorVue orders. For custom-made, it is considered an add-on. Android TV Box operates independently from the MirrorVue Mirror TV. Any technical issues, malfunctions, or performance concerns related to the Android TV Box are not covered under Evervue's scope of support, warranty, or responsibility. Evervue shall not be held liable for any issues arising from third-party devices, and all related concerns must be directed to the respective manufacturer or service provider of the device.

EXTENSION POWER CORD

DETAILS

- Offers an option for a replaceable or additional 1.5 m or 6 m cord only for 15.6" to 32" TV
- Offers an option for a replaceable or additional 3 m extension cord only for 40" to 100" TVs.

REPLACEMENT POWER SUPPLY

DETAILS

- Using power supplies other than the one provided with your MirrorVue, even if they match the same specifications, it may damage the product and void the warranty.
- Before ordering a replacement, please contact support at support@evervue.com so we can ensure the correct power supply is provided.

Note: The power supply may vary depending on whether the MirrorVue is standard, custom-made, or based on the TV size.

EVERVUE REMOTE

DETAILS

- This remote is replaceable and compatible exclusively with Evervue TVs.

Note: Not water-resistant.
